Engagement: Processing in an Activist
Archives and Developing an Institutional
Processing Manual at the UWC-Robben
Island Museum Mayibuye Archives"

Society of American Archivists 2016

Atlanta, Georgia

Poster Presenter: "Words of Wisdom with
SAA"

RELEVANT EMPLOYMENT EXPERIENCE

Student Processing Archivist 2016-

The Bentley Historical Library Present
Ann Arbor, MI

- 📦 Engage MPLP theory to process 10 collections measuring over 50 linear feet and create DACS compliant finding aids in ArchivesSpace
- 📦 Analyze and independently decide on processing level needed for collections in addition to developing comprehensive processing plans
- 📦 Create 10 MARC records with vocabulary grounded in LOC authorities
- 📦 Maintain serials and periodicals using Aleph to ensure records reflect current holdings

Student Research Assistant 2012

The Colorado College
Costa Rica

- 📦 Worked with Dr. Esteban Gomez and Elisa Fernández with a team of anthropology students at two separate dig sites, using STP and Harris Matrix dig methods

Global Information 2016

Engagement Program Fellow

University of Western Cape
Robben Island Museum Mayibuye
Archives
Cape Town, South Africa

- 📦 Provided descriptive finding aid fields by researching international standards and descriptive standards of other SA archival institutions
- 📦 Developed and conducted two workshops with workbooks to train staff in use of adapted MPLP theory processing
- 📦 Collaborated with staff to develop and implement finding aid and processing guidelines specific to the Mayibuye Archives
- 📦 Standardized processing and description of current collections, combining existing Mayibuye Archive practices with previously conducted research to ensure relevance and ease of transition

Aleph
Oxygen XML
ResCarta

Standards

MARC
EAD
LCNA
DACS
ISAD(G)

Programming

HTML
CSS
XML

Other Computer Skills

Adobe InDesign
Social Media

ORGANIZATIONS

Steering Committee Member

Society of American Archivists
Human Rights Archives Roundtable

Education Intern

Colorado Springs Pioneers Museum
Colorado Springs, CO

Panhellenic Vice President of Recruitment

Delta Gamma Fraternity
Colorado Springs, CO

LEADERSHIP POSITIONS

Student Chapter Officer

2015-

Society of American Archivists
University of Michigan

2017

- Organized and hosted events on and off campus for students such as repository tours, resume workshops, and networking events
- Managed budget to bring in guest speakers, purchase merchandise, and provide funds for travel and tours
- Planned Archives Blitzes with local repositories to engage students in hands-on training with archival material

Peer Advisor

2016-

University of Michigan

Present

- Provide resources to School of Information students regarding current curriculum and administrative practices through one-on-one advising sessions
- Function as intermediary between Office of Student Affairs and the student body
- Work with other peer advisors to plan advising programming, and create and implement useful course planning tools for students

RELEVANT COURSEWORK

Preserving Sound and Motion

Digitized radio broadcast records, audio reels, and scripts. Used ResCarta to transcribe scanned scripts and to sync with audio.

Access Systems

Created MARC records and valid EAD records. Learned ArchivesSpace interface, including batch data import.

Semantics-Based Knowledge Descriptions and Organization

Generated UML models, Relax NG schemas, XML instance documents, and XSLT style sheets.

Design of Complex Websites

Learned basic HTML, CSS, JavaScript, and PHP in order to design and create functioning portfolio website.
